## 2023-24 Town of Waxhaw Waste and Recycling Schedule

Reminder that yard waste pickup is the same day as your waste pickup. Waste Pro will now only pick up yard waste that has been placed in paper bags. These bags can be purchased for a nominal fee at retailers such as Lowe's, Home Depot, Wal-Mart, and Costco among many others.

Recycling pickup will be every other week, listed as week A or B. Find your neighborhood or street to determine which week is your scheduled recycling pickup. There is one schedule change to the recycling pickup schedule from last year. Lawson will be split into weeks A and B. Lawson east and south of Cuthbertson Road will be recycling week A. Lawson north and west of Cuthbertson Road will be recycling week B. Waste Pro is now utilizing Automatic Side Load trucks for recycling pickup. This will help with service efficiency and not allow recyclable materials to be picked up on the ground. Additional recycle containers can be requested for a small monthly fee through Waste Pro.

Waxhaw residents have the option for bulk pickup through Waste Pro every week for a small fee. Residents can have their bulk items picked up by calling Waste Pro at 980-296-1126. Residents with appliances and grills have the option to call Waxhaw Public Services at 704-843-7439 and will be picked up at no fee.
